Dear Lighthouse Enthusiast:

The State Historic Preservation Office is pleased to announce the availability of fiscal year 2007 Michigan Lighthouse Assistance Program (MLAP) grant applications. Funds are available for both planning and restoration activities. Grant applications must be postmarked no later than August 1, 2006. Copies of the grant manual and application materials can be found on our web page at www.michigan.gov/shpo, then under the SHPO Programs heading, click on Michigan Lighthouse Assistance Program.

If you are no longer active with lighthouse preservation and want to be removed from this lighthouse mailing list, or if your lighthouse affiliation has changed and you would like to update us with your new affiliation, please email Todd Walsh at walsht@michigan.gov.

Questions about the grant application or the grant process can be directed to Denise J. Sachau, Grants Manager/Budget Analyst at dsachau@michigan.gov or (517) 373-1904.

As a reminder, you can contribute to the future of Michigan's historic lighthouses by purchasing a Michigan lighthouse license plate. You can find more information on the lighthouse license plate at the Secretary of State web page at www.michigan.gov/sos, then click on Owning A Vehicle, then License Plate Store, and then on Fundraising License Plates. The proceeds from the sale of lighthouse license plates are used to assist in the restoration of Michigan's lighthouses.

We look forward to receiving a Michigan Lighthouse Assistance Program grant application from your organization.

Sincerely,

Brian D. Conway
State Historic Preservation Officer
